Pastor's notes:

The day we're born till the day we die, we're learning and don't realize it. We're in school for a life time. God and Jesus are our teachers and the bible and the church are our manual. We also learn by talking to people, relatives and friends. We learn by the things we see on the street, buildings, stores or even while driving the car. Things we touch make us ask many questions. We learn to raise children. We walk, cry and dream. We learn by going to school. Through college we learn to be doctors, lawyers, dentists, nurses and business owners. We learn every day and we try to make things better or make them grow. We learn through all the things we see and we never stop seeing new things. It's a big job for God and Jesus. They keep us learning and the world is too big to not learn every day of our lives.

What a wonderful task for everyone.
